

GALS ON THE GREEN

Hey lawn bowling gals...come join us!

The women of the San Jose, Santa Clara, Sunnyvale and Palo Alto Lawn Bowling Clubs are forming a group to meet, bowl and have some food and fun twice a month during February, March and April.

No serious competition

No skill level expectations

No hassle...

Just fun on the greens. Only requirement is that you let your club contact know the day before each game if you will be there. We can arrange carpools. Bring a sandwich if you'd like – the hosting clubs will provide salads, desserts and drinks.

Here's the info: All games will start at 10:00
